Leave Larnaca airport on the A3 toward Ayia Napa, follow this road for 23km. Take the second Pyla turn to the left, turn off at Junction 60 after the bridge, turn left off the sliproad. Follow the road over speed bumps. At the T junction (there should be a purple house on the left) turn right. Follow to the border.

At the first customs hut on your left just hold up your passports to the window and they will wave you on. At the next huts on both sides you will have to stop and get out and go to the kiosk on your left. There is a small document to fill in - name, passport no and nationality - this they will stamp. Also at this stop point you should purchase car insurance for the TRNC, it will cost approximately £15. You should then be waved on at the next hut on your left which is a few meters further on.

After you have crossed the border, follow through the village into the countryside. Follow this road for 8km to the roundabout. Go across and keep to the right when the road forks. Follow this road for 7km into Dortyol village, and turn right at the Kose market where there should be a sign towards Famagusta. Follow this for 1km to the main road. Follow across to the new dual carriageway.

Follow across at the next 7 roundabouts for 10km. You should then get to a large roundabout near a K-Pet garage. Turn right and follow for 16km past the Marda shopping complex and Iskele to the roundabout. Turn left and follow to Bogaz (approximately 5km) then follow for another 10km.

When you get to a K-Pet garage on the left, turn right opposite this garage where you will see a large sign for the Kaya Artemis hotel and Bafra Turizm Merkezi. Follow the road until you get to a mini roundabout, go straight ahead then turn right at the next big roundabout with the Kaya Artemis in front of you. Follow the tarmac road until the road ends after around 3km. Turn left onto the rough road and follow round for 3km to Thalassa.
